Increasing Access to Affordable Health Care in North Carolina

**KEY PRINCIPLES**

Care4Carolina advocates for solutions for all North Carolinians that include:

- **ACCOUNTABILITY**
  Empower Consumers to manage their health care and ensure that the care provided is efficient.

- **ACCESSIBILITY**
  Improve access to meaningful health care coverage.

- **ECONOMIC DEVELOPMENT**
  Promote a growing and robust workforce to fuel North Carolina's economy.

- **AFFORDABILITY**
  Advance opportunities for affordable, quality health care.

**DONATE TODAY**

Donations for this effort should be made out to the North Carolina Alliance for Health with an enclosed statement indicating that the funds are solely for Care4Carolina. Funds should be mailed to the North Carolina Alliance for Health Office at: 5001 South Miami Blvd Suite 300 Durham, North Carolina 27703.

**Care4Carolina believes** that access to quality, affordable health care helps build a healthier, stronger North Carolina. Covering the uninsured means better premium value for North Carolinians with private health insurance by lowering costs for everyone. Providing health insurance coverage will help people gain access to the care they need, which improves health outcomes.

**Care4Carolina recognizes** that there are currently over 1 million uninsured. Of those, approximately 400,000 could benefit from closing the insurance gap and having affordable insurance options available to them.

**Care4Carolina seeks** to strengthen the economic and social well-being of our state by increasing access to affordable, quality healthcare for all North Carolinians.

**STAY ACTIVE. SIGN THE RESOLUTION.**
